

## Make your commute stress free

Wherever you need to go, the Peddle Go can get you there (and back again). Built for maximum fun and comfort, whether you're commuting or exploring

### A new way to commute

No more late, busy, sweaty public transport, or heavy car exhaust fumes. The Peddle Go is the lightweight, reliable, and planet-friendly way to get yourself from A to B and back again. Your journey begins as soon as you say 'go'

### Easy to tuck away

Your Peddle Go is perfect for every part of your journey – even the bits where you aren't riding it. Easily slide your Peddle electric bicycle onto the train or store it once you get home with the foldable handlebar stem and pedals

### A light in the dark

Stay safe while you ride at night or in low visibility. The Peddle Go electric cycle's rear and front lights and reflective tyres mean you can stay visible while you make your way home. Just another thing to put your mind at ease while you explore

## All Peddle bikes come loaded with extras

### Over £500 of features included

Peddle electric bikes go beyond the basics. Enjoy a host of innovative upgrades on all of our bike models, designed to make adventuring smoother, easier, and accessible to all

### Includes up to £150 worth of accessories

When we say that we'll handle the rest, we really mean it. Every Peddle electric bike comes with a pack of essential accessories to get up and riding

### Extensive 24 month warranty
