

## Your best ride yet

Ride away into the sunset with the Peddle Ride electric bike. Built for everyday adventures, so even bumps in the road won't stop your ride from going smoothly

### Ready for the road ahead

Take your adventure anywhere. The Peddle Ride's puncture-resistant tyres make them perfect for riding any terrain with the peace of mind that your journey will stay smooth

### Stay in the loop

All of our Peddle electric bike models come fitted with a modern and convenient LCD display, placed right on the handlebars where you can see it. Connect to the NAVIE app for more control over your adventure, important journey information, and turn-by-turn navigation

### Take total control

Be the master of your own ride. With front and rear disc brakes, the Peddle Ride comes to a smooth and firm stop exactly when you need – or want – it to

## All Peddle bikes come loaded with extras

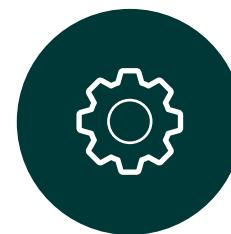

### Over £500 of features included

Peddle electric bikes go beyond the basics. Enjoy a host of innovative upgrades on all of our bike models, designed to make adventuring smoother, easier, and accessible to all

### Includes up to £150 worth of accessories

When we say that we'll handle the rest, we really mean it. Every Peddle electric bike comes with a pack of essential accessories to get up and riding

### Extensive 24 month warranty

Ride with peace of mind. If you find any faults with your Peddle electric bike within the first 24 months, you can return it to us for a full refund\*

### 6 months' comprehensive insurance

Get 6 months of comprehensive insurance included with the purchase of any Peddle electric bike, for worry-free adventures. And your cover can be easily extended by visiting our insurance partner
